Runner-Up “Totem” Elizabeth Pappin

Special Awards

Thank You Liz Pappin – for all the work that she has done for MARC in developing interest in Working Equitation, running clinics and competitions, and organising affiliation with the national body ANWE so that affiliated MARC members can participate at other ANWE events.

Patrons Award This is for a Club member who is noticed for their contribution to the Club by participating & helping at many events, showing improvement & good sportsmanship even though not yet frequenting the winners list.

The Patrons Award - Cheney Terelst-Mallinson

Club Member of the Year This Perpetual Shield and plaque is awarded to a Club Member who has made an exceptional contribution to the Club. This year’s winner has been a MARC Member for many years. Although she cannot participate on committee due to distance, she is always the most willing volunteer as a Judge, Steward or Penciller at every event, even when she is also competing. We don’t know how we could manage without her.

The 2024 Club Member of the Year – Sue Dale

Life Membership This rare recognition is only awarded to Club Members who have shown extraordinary contribution to the Club through long held membership, committee work and organisation of events. It is most appropriate for this member, who has been responsible for not only coordinating all of our Dressage events for many years, but also promoting the MARC Dressage Championships to be recognised as 2*or * Championships, which has brought many FEI level Judges and competitors to our events. Many members would not be aware of the countless hours she has put in while seeking sponsorship; getting Judges, Pencillers, Stewards, and Caterers; organising Draws; and dealing with the countless “hiccups” that regularly occur! For all this, and more ...

Congratulations – Lynne Larkin
