

## DRAMATICALLY DIFFERENT DRESSAGE TEAMS CHALLENGE

17<sup>th</sup> JULY, 2002

### What is it?

It's a fun teams dressage challenge for MARC full and limited members. Get your friends together into teams of three riders, give your team a name and a theme (the more original and humorous the better as there will be prizes!) You could be cowgirls or callgirls, ninja turtles – the possibilities are endless.

Each rider will ride two different tests of their own choice at the same or consecutive level. The winning team will be the team with the highest average score.

You can dress up, coordinate your colours, incorporate your team's name however you like. You can be as outrageous as you like with your dress provided your outfits include approved helmets and boots. Safety and horse welfare, as always, is paramount - organising committee and judge have final say.

You can substitute horses after you enter, up to 11<sup>th</sup> July.

When you enter on Nominate, you will be asked your team's name and other members of your team, for the draw.

There will be some fun prizes for, maybe:

- Best team name
- Best team outfits
- Oldest team of horses (aggregate of horse ages)
- Oldest team of riders (aggregate of rider ages)
- Youngest team of riders (aggregate of rider ages)
- Best team of colour matched horses

**Where?** The challenge will be held in the Southern Arena and we will have enough time for eight teams of three riders to do two tests each.

**Cost?** \$15 per test and will be through Nominate.

**COME ALONG AND HAVE A LOT OF FUN!!**
