Letter from the Editor

Hi

I hope everyone is enjoying this beautiful weather at the moment, although a little on the cool side. We have some interesting events planned for July, a Working Equitation Clinic with Linda Shore on the weekend of the 13th and 14th, a Dressage Training Competition on Saturday the 27th July and a Poles Clinic with Dezi Roos the following day. Also, don't forget the All Breeds and Hack Show on the 30th June with a great programme to suit all competitors. Flyers are attached for these events and nominations are open in Nominate.

I am receiving contributions from members which is much appreciated. Please keep them coming in as they make great reading! We also have some items for sale this month. Items need to be emailed to me with contact details, no later than the 14th of each month to be included in the newsletter.

Happy Riding!

Dressage News!

DRESSAGE REPORT 11TH JUNE 2024

(Photo of Linda and Stella, at our Official Dressage Competition kindly donated by Cherish My Pix Photography)

Our official event went ahead with rain still teasing us on the Saturday evening and rather sloshy conditions in the Eastern Arena but a good hard non slippery surface underneath. We ended up with 59 tests and a few scratching's but a beautiful day, with our wonderful volunteers, judges and stewards keeping everyone happy. Janeen and co from Xtreme Cowboy did a fantastic job of keeping us watered and fed. Many riders achieved a PB with percentages, so well done everyone. We ended up making approx. \$700 for the day.

We had 4 riders for the protocol on the Monday and I know everyone took something positive home from Marias guidance.

Our next training day is ready to enter on the Saturday 27th of July with Maria Schwennesen and Christine Allen?

The champs are beginning to come together and program should be out shortly. We have secured approximately \$3500 and also other prizes so far. Caters are secured and orders for arm bands/ ribbons being done shortly.

Our weather is fantastic for training at present so get out there and enjoy.

Happy riding the Dressage Committee.

Note: Please see the Sponsorship Invite Letter attached to this newsletter. Each year our club organises the very successful **Fraser Coast Dressage Championships**, and this year it will be held over the weekend of **9th-11th August 2024**. This is a very important event for Dressage and the Fraser Coast Community. We value and welcome any sponsorship (financial or prizes) that can be given to support this wonderful local event

It is also a requirement that there must have an accredited person with a **First Aid Certificate** at each event. **MARC will refund 50% of the cost of training for MARC members who complete a First Aid Certificate. Members who have current accreditation include:**

- Liz Condon
- Mel Macaulay
- Monique Bonus
- Dianne and Ron Clements
- Pam Thurlow

If anyone else has current accreditation and is able to assist, please advise the Risk Manager, Mel Macaulay 0401940862.

BRIDLE NUMBERS

A member has sent this in. This site may be worth a look if you are not yet compliant with Bridle numbers.

Are you Dressage comp ready?
If not The Equine Tailor can help you out!

I create a large range of Embroidered Bridle numbers to suit your needs.

I have Embroidered numbers for your saddle pad that come with a velcro attachment to make changing out your numbers easy.

I also create embroidered numbers to pop on your halter so your horse always has its number visible. If you compete with multiple horses I can embroider the horses name so you can easily match horses with numbers.

I can cater for stallions with embroidered numbers that comply with EA rules both for your saddle pad and your halter. If you need your saddle pad embroidered directly I can do that as well.

My range is compliant with EA rules...height, colour and border sizes for stallion ↓

To avoid wondering where your

numbers are on comp day my Bridle number holders are a great solution ...they hang in your float and fold into an wallet to fit in your car or float for next time.

Competition numbers both embroidered patches and clear pocket holders that are for interchangeable draw numbers.

My embroidered bridle numbers are the perfect solution when you need your competition Bridle Numbers in clear view of officials and are EA compliant.

My interchangeable range are great for holding your handwritten or printed draw numbers.
