Letter from the Editor

Hi All,

Our October events ran very smoothly as usual thanks to our dedicated Committee. I have included some photos taken at the MARC Dressage Championships, some more photos of riders at the Desi Roos Pole Clinic and some pics of a couple of our members out and about. Many thanks to our members who are sending in these photos each month.

Sunday the 24th of November is our Fun Rally and Break Up in Eastern Arena which looks so much fun. It will be posted on Nominate to register with a small fee of \$20 to attend. A Flyer is attached. Saturday afternoon, December 14th is MARC's Awards and Christmas Party and the invitation is also attached. The venue looks amazing!

I have included an email from Equestrian Qld regarding the Leaderboard Challenge for those riders that have entered this year.

A reminder that the Ingrid Klimke will be coming to Australia for a Dressage & Eventing masterclass on Saturday, 25 January 2025 at the Queensland State Equestrian Centre.

FYI I have also included the email again from MSEP regarding the closure of the entire venue from the **1 December 2024 to 31 January 2025** (inclusive).

Until next month,
Happy riding
Cathy Evans

DRESSAGE NEWS -

Some information for those riders that have entered the Leaderboard Competition this year.

Subject: EQ Leaderboard Interclub Challenge

Date: 10 October 2024 at 11:20:47 am AEST

Hi Guys,

With October well underway, we're approaching the end of the 2024 EQ Leaderboard competition year. Riders and clubs across the region have been showcasing their passion and commitment to our sport and entering EQ Leaderboard classes.

One of the highlights of the year is our EQ Awards Night, where we celebrate the achievements of our community. The coveted Interclub Challenge Award will be presented to the club whose team has the highest scoring horse/rider combinations.

So, will your club take home the trophy this year? If your club is participating in the 2024 EQ Leaderboard, make sure you've registered as a representative. With the competition nearing its end, now is the time to ensure that every point and performance counts. Have all your club members who are participating in the EQ Leaderboard classes register to represent your club. Link below-

First Aid Certificates

Did you know that MARC will refund 50% of the cost of training for MARC members who complete a First Aid Certificate? One never knows when such training might be helpful, not only with horse incidents but perhaps to help family members at home! It is now a requirement that there must have an accredited person with a First Aid Certificate at each event. Members who have current accreditation include:

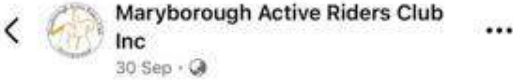

- Liz Condon
- Mel Macaulay
- Monique Bonus
- Dianne and Ron Clements
- Pam Thurlow

If anyone else has current accreditation and is able to assist, please advise the Risk Manager, Mel Macaulay 0401940862.

WE NEWS

Great results for Liz at the Qld State Championships – Well done Liz!

 Maryborough Active Riders Club Inc
30 Sep · 🌐

Liz Pappin has been the driving force behind MARC affiliating with ANWE (working equitation).

Liz and Totem travelled to Nanango last weekend for the Queensland State Championships. To say she flew the MARC flag successfully would be an understatement.

In her first real competition, Liz won the Preliminary Championship.

Not just that, but also placed 3rd in cattle team (mixed club team), and secured highest overall Competitive Ease of Handling Percentage. She also picked up loot in the raffle.

Liz was there alone but reported meeting lots of wonderful people.

We all knew that Totem and Liz were pretty sharp at this discipline and we also knew Liz worked hard, being on a steep learning curve into the technicalities of competition.

MARC is very proud of Liz and her delightful home grown stockhorse Aptitude Totem.

What a cracker of a start to their WE careers.

Liz Pappin, Queensland State Champion (Preliminary) has a nice ring to it, doesn't it!

Congratulations Liz

Some great photos of our Dressage Coordinator, Lynne Larkin and William Wallace competing at a One Day Event. Will is proving himself to be a very handy eventer.
